EMPLOYMENT

August 2013 – present
new york, new york

87AM Digital Agency | Creative Team | Designer

Designed websites, mobile apps, social media campaigns and all digital advertisements for clients such as Showtime, Disney on Broadway, Whole Foods, L'Oréal Professionnel The History Channel, Scholastic, Girl Scouts and more. Promoted from Design Staff Member to Junior Designer (September 2013) and to Designer (January 2014). As a member of a swiftly growing company over the past two years, my expanding responsibilities have included overseeing all of the Design interns through teaching workshops and the interviewing process, presenting finalized mockups to clients and creating new business pitch decks.

January – June 2013
charlottesville, va

Gregg Bleam Landscape Architecture | Intern

Responsibilities included compiling details for contractors, creating presentation drawings, detailing specifications for surveyors, updating and improving the firm's website.

September 2011 – January 2013
charlottesville, va

UVa Bay Game | Graphic Design Team

Responsibilities included converting spreadsheet data generated by the Bay Game into clearer, faster, more user-friendly graphic visualizations.

January 2013
washington, dc

David Jameson Architect Inc. | Intern

Constructed a digital model for an apartment project, photoshopped materials onto renders for a client, and compiled images and information for award submission. Attended meetings with developers and associate architects of the firm MV+A.

January 2012
philadelphia, pa

BCJ Architects | Intern

Investigated site and building analysis of an 18th century farmhouse in advance of renovation into an exhibition space. Projects involved creating diagrams and building a large model to better understand how the existing structure functioned.
